Town of Aurora
100 John West Way, Box 1000
Aurora, ON, L4G 6J1

Dear Resident / Owner:

RE: Invitation to Public Information Centre - Poplar Crescent Reconstruction Project

Please be advised that the Town of Aurora's Engineering and Capital Delivery Division will be holding a Public Information Centre (PIC) drop-in to present the design for the Poplar Crescent Reconstruction Project (Figure 1).

The work consists of the replacement of existing storm sewers, sanitary sewers, watermains and services, along with full depth road reconstruction including new curbs and sidewalks. The PIC is an informal open house for residents to attend, ask questions, provide input, and identify any concerns they may have. This construction project is anticipated to commence in Q2 of 2024.

The PIC will be held at the time and location noted below. Town staff and the engineering consultant will be available at the PIC during this time.

Date: **Thursday, January 11th, 2024**
Time: **5:00 p.m. to 7:00 p.m. (drop in)**
Location: **Aurora Town Hall, 100 John West Way
Holland Boardroom, 1st Floor
Aurora, ON, L4G 6J1**

If you are unable to attend, all information and display boards presented during the PIC will be posted on the Town website and can be accessed at aurora.ca/construction.

Should you have any questions or inquiries, please do not hesitate to contact Dan Vink at the contact information provided below.

Dan Vink, P.Eng
Town Municipal Engineer
