INCLUSION SERVICES

INCLUSIVE MODEL

- The Town of Aurora welcomes and encourages residents of all abilities to have equitable and meaningful access to recreational camp opportunities. This is done through an inclusive model, where campers can attend with a trained Town Inclusion Staff or with an external support person. Town Inclusion 1:1 Support Staff are available to facilitate safe and successful participation in camp programs.
- When choosing a recreation experience, please consider the individual's needs, and that the recreation integrated setting may not be suitable for all persons with a disability. Health & Safety of participants and staff is paramount, which could result in participants being removed from the program.

HOW TO REGISTER FOR INCLUSION SUPPORT

1. Register for 1:1 Inclusion Support for the weeks of camp you wish to attend, using the codes provided in the chart.
2. Register for a Camp program that meets the needs, hobbies and interests of the participant.
3. Email Marco De Benedictis at mdebenedictis@aurora.ca to set-up an intake meeting to discuss registration and support requirements. Information regarding support will be discussed in this intake meeting.
4. Complete the Participant Intake Form that can be found online at www.aurora.ca/inclusionservices.

NOTES REGARDING 1:1 SUPPORT REGISTRATION

- Inclusion 1:1 Support is on a first come, first serve basis. If there are no more spots in the 1:1 Inclusion Support code, please place the camper on the waitlist. Note: In these cases, 1:1 support is not guaranteed unless the participant is registered in the corresponding 1:1 Support Code.
- Final decisions regarding support are at the discretion of Full-Time staff. The Town reserves the right to determine when a staff is required based on information provided during intake and/or observations during camp. Town of Aurora will determine whether a participant's support needs are beyond the scope of our Part-Time staff's capabilities and training. In these situations, parents/guardians may be required to seek out an external support worker.

INCLUSION 1:1 SUPPORT STAFF – WEEKLY CODES

Inclusion 1:1 Support is available for campers with disabilities whose needs are not met within large group supervision ratios and require an additional staff to be integrated into a Summer Camp program of their choice. Inclusion 1:1 Support staff can provide emotional and sensory breaks, and help adapt programming to fit the needs of each individualized camper. Inclusion 1:1 Support is NOT a camp, it is a support service. Registrants must register into a camp program in addition to the 1:1 support.
