## **"What Comes to Mind"**

### **Artwork by Cheryl Uhrig.**

Intuitive. Realistic. Comical.

A statement from artist Cheryl Uhrig regarding her work: "I like to capture slices of life in my art. Passing moments that tell a story or evoke an emotion, it's those slices that inspire my paintings, illustrations, and cartoons. It could be an Algonquin pine in the middle of winter. A girl gazing out a window. My dog looking at a snowman. What comes to mind is what I have to paint. Every day is a new adventure. Let the day begin!"

Cheryl's art appears in children's books, magazines, and local art galleries.

Enjoy touring this month's Aurora's Skylight Gallery exhibit located in Aurora Town Hall, available for in-person or online viewing opportunities. All work is for sale.
