**2. PREVIOUS MEETING MINUTES OF APRIL 24, 2015**

The Aurora Family Leisure Complex Liaison Committee meeting minutes of April 24, 2015, were provided for information.

**3. REVIEW OF UPDATED AFLC OUTSTANDING DEFICIENCY LIST**

The Committee was provided with an updated AFLC Outstanding Deficiency List for review, which included additional columns for Estimated Cost, Recommendation, Target Completion, and Status.

**4. DETERMINATION OF TOP PRIORITIES**

The Committee identified the following top priorities (staff comments in brackets):

<b>Top Priorities</b>	<b>Comments/Suggestions</b>
Back door access, security	Estimated 50-60 users would need back door access; proposed double-layer fob system for parking and door access; option to install camera and buzzer at back door; front door not secure as not everyone checks in at front desk (primary driver is security and public safety; fob systems, etc. still provide opportunities for risk; additional accessible parking at front and side; if individuals need help, staff could accommodate)
Change room issues	Need more benches, etc. per Outstanding Deficiency List
Gym space allocation	Gym often empty; could be used for overflow; should be open/utilized when not being used by youth; Why can't kids show up and shoot hoops outside of scheduled program times? (staff will discuss with programmers; space is meant to generate revenue)
Program space allocation, including fitness studio	Need to look at how building is utilized in relation to programs; building should serve users; fitness studio and other spaces now too small; need to reconsider space allocation; re-evaluate use of space
Slippery floors	Floors should be resurfaced to provide a non-slip surface in wet areas (mats will not be returned as they are considered a health hazard)

<b>Top Priorities</b>	<b>Comments/Suggestions</b>
Storage for coats, boots, bags	Need more hooks, larger and more cubbies and lockers; SARC has good size (staff have ideas on how to reorganize the fitness studio for storage; need advice on sizes needed)
Ventilation, heating and cooling air management	Yoga class and other program areas too hot; consider options, e.g., large fans, ceiling fans, heat retractors; install large scale thermometers on walls and window area (each room has thermostat; will advise staff to monitor; new HVAC system will take time to balance and calibrate in each space through the seasons; blinds to be installed in gym today; portable air units should alleviate issues in mean time)
Water fountain	Need water available (water fountain bottle fill to be installed)
Water pressure	Water pressure too low; investigate alternate shower heads that would meet OBC standards (mandated to use low flow restrictors; unable to guarantee completion within 16 weeks)

**5. REVIEW OF FEEDBACK PROCESS**

The Committee was provided with a “Facility Service Request Workflow” chart for information.

**6. NEXT MEETING**

The Committee agreed to meet next during the week of May 25, 2015, (at a time later than 2 p.m.) in Program Room B of the Aurora Family Leisure Complex.

**7. ADJOURNMENT**

The meeting was adjourned at 3:30 p.m.

COMMITTEE RECOMMENDATIONS ARE NOT BINDING ON THE TOWN UNLESS ADOPTED BY COUNCIL AT A LATER MEETING.
