Online Skylight Gallery Exhibition

Feature Artist: The Society of York Region Artists (SOYRA) - Collective Experience

For the month of April, Aurora's Online Skylight Gallery is featuring works by the members of the Society of York Region Artists (SOYRA). After months of monochromatic shades of gray, it is time to embrace spring! Prepare to be dazzled by the kaleidoscope of colours from the SOYRA palettes and experience their love of colour, texture and form. All artworks are original and created by members of the Society of York Region Artists, who contribute to Aurora's vibrant arts and cultural community. Visit their webpage at soyra.ca to learn more about SOYRA or check out their Facebook page for current activities at facebook.com/soyra.ca.

All work is for sale, please contact Andrea Araujo at aaaraju@aurora.ca if you are interested in purchasing a piece. View this online gallery at aurora.ca/skylightgallery.

Here, you can easily make updates for yourself and those in your household.

Limit the spread of LDD

To help save your trees and limit the spread of the Spongy Moth (previously referred to as LDD), you can scrape the egg masses off your tree trunks and place in a bucket of soapy water before disposing them. This will reduce the number of caterpillars that will hatch and feed on your trees.

How to remove the egg masses from your trees:

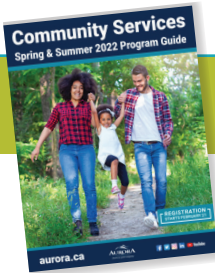

- Put on protective gloves
- Scrape off the egg masses with a dull knife, paint scraper or other tool and place in a bucket of soapy water
- Keep the egg masses in soapy water for a day or two before discarding them in the garbage

For more on how to spot egg masses on your tree and why it's important to remove them before they hatch, visit aurora.ca/spongymoth.
