What's Happening

Online Skylight Gallery Exhibition

Feature Artist: Zorica Miric - Colours and Shapes

For the month of January, Aurora's Online Skylight Gallery is featuring works by artist Zorica Miric. She explores how shapes and colours dance across a canvas while simultaneously experimenting with how acrylic medium functions. Visions of fantasy and daydreams are translated onto her canvas to create abstract reflections of reality. The artist wishes not to tell a complete story with her paintings, but instead urges the viewer to interpret and finish the story themselves. All work is for sale, please contact Andrea Araujo at aaaraju@aurora.ca if you are interested in purchasing a piece.

View this online gallery at aurora.ca/skylightgallery.

These are natural outdoor rinks with no refrigeration and are solely dependent on outdoor weather conditions. The Town will notify the public once the outdoor rinks are ready for use.
