Online Skylight Gallery Exhibition

Featured Artist: Irene Schaefer - Land, Water, Flowers

For the month of September, you are invited to visit the artwork of artist Irene Schaefer entitled "Land, Water, Flowers". The artist uses vivid colours of acrylic paint to present a series of work inspired by her travels and observations of nature. The landscape series will take you through different seasons and changing colours. The water series shows experiences around water and the nature of water flow. The flower series was created to extract the vibrancy of a particular colour tone that evokes an uplifting feeling.

You can view this artwork in-person at Aurora Town Hall in the Skylight Gallery or view online at aurora.ca/skylightgallery. All artwork is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful piece of art.
